

Lies Versus Truth

Satan's Kingdom - Lie-based

- Driven by guilt, fear and shame
- The principles of death/destruction

When we are walking/enticed by the flesh, believing lies of Enemy or deceived by sin, we grieve/block the Spirit of Truth. Whether knowingly or unknowingly our thoughts, feeling and behaviors are the result of those lies that enticed us (just like Eve was enticed). Removing those lies will dismantle the power of Satan - he operates purely by lies.

In Bondage:

We are bound to lies to the point they have become our truths (strongholds)

- **Believe** the words of others or Satan as truth, or live through another person (feed off their emotions)
- **Think** unhealthy thoughts based on lies
- **Feel** negative emotions which become "facts"
- **Become** emotionally dishonest with ourselves and others
- **Live** in negative behavioral patterns
- Toxic **identity** – we are what we "do" (shame-based) - usually "not good enough"

Transfer Systems

God's Kingdom - Truth-based

- Driven by love, grace and redemption -
- The principles of life/restoration

Walking in the Spirit, believing God's word and receiving the seed of His truth through faith feeds truth to the soul. As lies are removed and truth prevails - God takes more and more ownership of thoughts, feelings and behaviors. The Spirit can by-pass feelings and work directly in the will.

Recovery:

Brings our spirit to a place of surrender and submission where the truth and light will :

- **Believe** God's word is truth- no matter how we feel
- **Think** as the mind of Christ – based on His truth
- **Feel** authentically and not irrationally allowing feelings to dominate us
- **Become** emotionally honest with ourselves and others
- **Live** out the will of God by choosing to believe and follow God's truth
- Core **identity** – we are precious at a core level – despite what we do (grace-based)
